Mayor and Councilmember
5000 Diamondhead Circle
Diamondhead, MS 39525

Dear Mayor and Councilmembers:

The City of Waveland has requested the transfer of one (1) green emergency vehicle light bar. This equipment was acquired from the Diamondhead Property Owners Association. The light bar is of no use to the City and would aid the City of Waveland in their litter control efforts. We have researched the value of the light bar, depreciated based on age and based on age concluding with an estimated value of \$150.00.

I am recommending for your consideration and approval the surplus declaration of one (1) green light emergency vehicle bar identified as SEC01 and further to authorize the intergovernmental transfer of same to the City of Waveland.

Thank you for your consideration and approval in this matter.

Sincerely,

Clovis Reed
City Manager
